

REGIONAL PRIZEGIVING 2011

Netball Counties Manukau Region held its end of season Prizegiving last Wednesday night. The evening was a fun filled night of entertainment and celebration. The event began back in 2004 and since then has grown into an important event on the Netball calendar. It is a fantastic opportunity to celebrate the successes of our regional teams, coaches, players, umpires and bench officials as well as acknowledge the hardworking Centre volunteers. The Region also takes the opportunity to highlight the many successes individual members achieve at a high level from regional to national to international.

Each year Netball Counties Manukau Region's members are achieving more and more and we are always excited to celebrate these accomplishments. Netball Counties Manukau Chairman, David Ronaldson commented, *"It was a great night of celebration with many players, umpires, coaches and bench officials from the Region being recognised for National honours. This evidences the fact that Netball Counties Manukau Region is delivering on its promise to deliver "Unlimited Pathways" to its members. It is also good to see the high performance programme having an effect and watching the succession of players coming through the grades."*

Carole Maddix, Netball NZ Board Member is a great supporter of our Region and has attended our Prizegiving for the fourth year running, she commented, *"Over the past four years of attending the Counties Manukau's Regional Prizegiving I have seen the growth in these young players that are now achieving and being recognized at higher levels. It is also great to see the Region rewarding the successes of all of its Players, Coaches, Umpires and Bench Officials."*

Other special guests included Netball NZ President, Sheryl Wells, Joan Williams and Maree Bernasconi, Netball CMR Life Members, Chris Dyke and Sue Miller, Netball CMR Service Award Holders.
