

Bombay alters goals after fall into second division

**Bombay 1 (44)
v Papatoetoe Rangers 2 (54)**

Having lost in their final Regional Premier League game against H & W United last Friday, Bombay were forced to play in the promotion relegation game on Monday.

Bombay coach Tania Heap said that it was unfortunate her team did not win that game and that they lost quite badly.

In their game against Papatoetoe on Monday things did not go any better for the team but Heap said that playing with bare minimum numbers was not ideal.

"I really only had seven

players with three of my key players away but the girls gave a solid performance, the best all season and I was proud of their effort," Heap said.

Heap gave credit to the Papatoetoe side who now step up into the top division in the Regional Premier League while Bombay drop into the second division joining Tuakau 1.

"They have some really great players and are just a lovely team, we are fine with being in the second division and it's still a very strong competition," Heap said.

"I think we will now just set some different goals and remain positive."

Top teams seek slots

**Te Kohanga 1 (47) v
Maramarua 1 (39)**

Te Kohanga have slipped into the top four this week after an eight point win over Maramarua on Saturday.

Both teams are fighting for that semi final spot with only two games remaining before the post season.
