The final game of the week saw Counties Manukau up against a full strength North side. Despite accuracy from our shooters their uneven possession as North took advantage of every opportunity given to turn the ball over and score from it. 10-19

Riedstra moved out to GA and Bennett to WA with Timoko coming on at GS but we still struggled to get the ball into our shooters again who felt the pressure and dropped their accuracy. Rowe took two intercepts and Hurley hunted down another but possession was pretty one-sided in this quarter. Adler called injury and Rinckes came on at GK. The quarter finished with North in front by 22.

Steffany came on at GS at the start of the third quarter and this period of play was more closely contested as the teams went goal for goal. Riedstra fell and came off the court replaced by Timoko. This was our best quarter with 11-12 scored taking the game score out to 29-52.

Going into the last quarter Riedstra had recovered and returned to GA. Everyone else retained their positions as the game headed towards its conclusion. Adler came on after an injury break with 5 minutes to go in the game. The physicality had not decreased nor had the pace and another 31 goals were scored in 15 minutes. The match ended with a margin of 27 points 69-42
